Criterion Discount Card

A Growing Concern

- 45 million Americans have no health care coverage
- Eight out of 10 uninsured Americans are from working families.
- As the price of health care continues to rise, fewer individuals and families can afford to pay for coverage.
- More than one in five adults ages 18-64 was uninsured in 2003.

The Iowa Prescription Drug Corporation is here to help

Our Criterion card provides varied savings on *all* generic medications and a *wide range of* “preferred” and brand name medications at your pharmacy.
